

## **ISSICON-2013**

Spinal Cord Society (Indian Chapter) organises International Spine and Spinal Injuries conference (ISSICON-2013) as an annual feature. The 13th Annual Meeting of the Spinal Cord Society (Indian Chapter) was organized by Ganga Hospital, Coimbatore from 15th to 17th November 2013. The theme of the conference is “Spine & Spinal Cord Injury”. It was preceded by a one day preconference workshops for all disciplines on 14th November.

10 international and 35 Indian faculty participated in the conference. There were 391 participants.

It was overall a successful conference with the faculty and delegates giving a good feedback of the conference.
